Good and gracious God, at the beginning of this new day I remember that...

JESUS IS LORD

You are the maker of all things. You made this world, you made this day, and you made me. So I place today in your creative hands. Guide me in the direction you would have me go. May the things I say and do spread your love and bring you glory.

EVERYONE IS WELCOME

Thank you, God, for being so patient, forgiving, and welcoming towards me. Forgive the harmful things I have done to myself, to others, and to you. Help me extend your patience, forgiveness, and welcome to all those who cross my path today.

WE HAVE WHAT THE WORLD NEEDS

I am so grateful for all the blessings I have – time, abilities, loved ones, possessions, and, most of all, your saving grace. Open my eyes to the needs around me and how I can make a difference through sharing what I have.

EVERYONE HAS SOMETHING TO OFFER

God, you created each of us for a purpose. Remind me of my worth and value, especially on days when I do not feel so good about myself. Show me the purpose you have for me. And give me the wisdom to help others discover their purpose.

LOVE CHANGES EVERYTHING

Our world is desperately in need of the change your love can bring. So am I. Shower me with your love. Change my behaviors, my attitudes, my relationships, and my thoughts. Change my life so I can be your change in this world. Help me recognize at least one person today with whom I can share your love.

Thank you for listening to us whenever we call on your name. I look forward to being in conversation with you throughout the day. In Jesus' name I pray. Amen.
